

Materials Needed:

- Bracket frame -- TPC Studio (6079477)
- Brown paper -- My Mind's Eye (6078322)
- Pink glitter embossing powder -- American Crafts (6056454)
- Embossing ink -- VersaMark (10334)
- Gold paint -- Ranger (6069200)
- Buttons -- My Mind's Eye (6078352)
- "The Most Beautiful Girl" sticker -- My Mind's Eye (6078351)
- Butterfly -- Jenni Bowlin (6077678)
- Clear gem -- Mark Richards (6007730)
- Dry adhesive, such as a tape runner
- Mini Glue Dots

Instructions:

Cover outside edge using VersaMark ink. Cover with pink glitter embossing powder. (Do this one quarter of the frame at a time so the ink doesn't dry.) Emboss using heat tool once entire edge is covered.

Use bracket frame template to trace pattern on brown paper. Cut out the shape and adhere it to the frame.

Use gold paint to paint edges (inside and outside.)

Add butterfly and "The Most Beautiful Girl" stickers.

Use Mini Glue Dots to adhere buttons.

Add clear gem to center of small pink button.
