Instructions:

- Score and fold 5 1/2" x 11" light purple cardstock in half.
- Stamp flower three times using purple ink on 4 3/4" x 4 3/4" ivory cardstock.
- Create a mask to cover the flower by stamping the flower on a piece of scratch paper and cutting it out. Use removable adhesive to lay the mask over one of the purple flowers.
- Stamp leafy vine in green ink over the masked flower. This allows the vine to be stamped in the empty space, but not cover any of the purple detail in the flowers.
- Continue to move the mask and stamp over the masked flower until space is filled.
- Stamp sentiment in center of card using brown ink.
- Adhere ivory cardstock to 5" x 5" purple cardstock and adhere purple cardstock to card.
- Add gems in small clusters, using a QuickStik or craft knife to assist you, if necessary.
