Instructions:

Lining an envelope:

Use an envelope template or trace the envelope onto patterned paper and cut out patterned paper. Place adhesive on the top portion of the patterned paper and adhere to inside of envelope. Be sure the paper is cut at least 1/2" shorter than the actual envelope so when you close it, it has room to slide.

Sealing an envelope:
Draw faux stitching along the edge of the envelope flap using brown pen.
Stamp sentiment on brown seal using white ink and seal envelope with sticker seal.

Decorating front of envelope:
Stamp flowers on front of envelope using VersaMark ink to leave a watermark impression and write address with black pen.
