Stamp "Contemporary Swirl Flower" on the Deep Sea paper using white pigment ink and snowflake embossing tinsel and cut to 1 7/8" x 3 7/8". Layer this first onto the Tahitian Princess piece and then onto the smaller Mermaid piece. Attach ribbon around the right side of the Salt piece of paper and then attach this to the Mermaid folded piece. Adhere the layered image from step 3 onto the left side of the Salt piece. Stamp "Capital With Love" onto a scrap piece of Mermaid using white ink and snowflake embossing tinsel. Trim close to words and layer on a scrap piece of Tahitian Princess. Using the ribbon, tie a bow. Attach the bow and the saying to the card using Glue Dots about an inch from the top of the card. Stamp "Wispy Thinking Of You On Mother's Day" on a scrap of Deep Sea. Cut close to the saying and trim with a piece of Tahitian Princess. Attach to inside of card.
