Instructions:

- Move around and configure boxes as desired. Wrap calendar tape around edges.
Wrap outside edges of cover using calendar tape. Don't measure! Tear it and play.
Lightly ink using red ink.
Trim paper to fit side and top panels. Distress and adhere. Trim paper to fit inside boxes and adhere.
Punch a hole in top of cover and screw in knob.
Place cover on box and cover any exposed edges using calendar tape.

Suggested Tools

- Distresser -- Tim Holtz/Tonic (6003286)
- Tiny Attacher -- Tim Holtz (6076829)
- Trimmer
- Scissors

Use wet adhesive to adhere metal corners and feet.

Fill each box with found items and memorabilia! We used Tim Holtz ruler ribbon, film strip ribbon (rolled then stapled using the Tiny Attacher), tickets, buttons, clock face and paper. We also used Tim Holtz game pieces that were inked and an old Christmas lightbulb.

Tie key on clip using tan string and clip to top of box.
