

Materials Needed:

- Chipboard heart--GCD Studios
- Chipboard star--Bazzill
- School Bus Yellow paint--Making Memories
- Pool dabber paint--Ranger
- Citrus dabber paint--Ranger
- Chocolate paint--Making Memories
- Funky Vintage- Lipstick paint--Making Memories
- Snow Cap paint--Ranger
- Mod Podge--Plaid
- Adhesive magnets--BasicGrey

Instructions:

Lightly mist chipboard with water.
Pound images into the chipboard using mallet and metal dies.
Paint images using acrylic paint.
Mix brown paint and Mod Podge to create a sepia glaze and cover the entire surface. The more brown paint used, the darker the coating will be.
While the Mod Podge mixture is still wet, use a paper towel to wipe away the excess.
If using a photo (as used on the star), cut out photo, adhere to chipboard after painting, and Mod Podge over the top. Wipe away excess.
Adhere magnets to back of chipboard shapes.
