Score and fold 8 1/2" x 5 1/2" Seaglass cardstock in half to create card.

Ink stamp using Dusty Concord ink on the right side, Faded Jeans ink in the center, and Peeled Paint ink on the left side. Mist the inked stamp using gold Glimmer Mist, holding the bottle about 8" from the stamp. This allows the colors to blend.

Stamp image on 4" x 5 1/4" white cardstock and allow to dry.

Ink butterfly and dragonfly stamps using Dusty Concord ink and mist using Glimmer Mist before stamping on the top portion of the white cardstock.

Lightly edge top and bottom corners using Antique Linen ink.

Adhere white cardstock to card.
