

Materials needed:

- **4-bar opal flat note** Yours Truly
- **Sage Archival Ink**

Suggested tools:

- Wedding clear stamp set Fiskars
- Clear acrylic block or stamp press (to use with clear stamp)

Instructions:

1. Begin with a 3½" x 4 7/8" vertical (portrait) document in a word-processing program. Type and format text near bottom of document.
2. Do a test print to ensure proper placement. Once ready, print text on opal flat note.
3. Score flat note in half using a scoring tool. Fold, using a bone folder to create a crisp edge.
4. Stamp image on place card as shown.
