Instructions:

1. Begin with a vertical (portrait) letter-sized document in a word-processing program. Adjust margins to 1½ on all sides. You will be able to fit two invitations worth of text in the space, one at the top and one at the bottom. Type and format text, leaving space for stamp.
2. Print text on opal paper and trim on all sides to create two 4 x 5¼ pieces.
3. Stamp images on opal paper. Sprinkle with embossing powder, tapping off excess. Heat with heat gun until image appears shiny and raised.
