Suggested Tools

- Contemporary Snowflake punch--Tonic (6066252)
- Texture Boutique--Sizzix (6063634)
- Medallions embossing folder set--Sizzix (6064453)
- 1/8" hole punch--Fiskars (10247)
- 1 3/8" circle punch--EK Success (528426)
- Scissors
- Craft Knife or QuickStik

Instructions:

- Place clear snowflake inside Medallions embossing folder and run through Texture Boutique machine.
- Spray snowflake with one spray of Glimmer Mist and set aside to dry.
- Punch snowflake from light blue cardstock.
- Punch circle around negative snowflake shape. Hold punch backwards so you can center the circle around the punched snowflake.
- Highlight punched shape using Stardust pen and punch hole in top.
- Tie ribbon to ornament, stringing punched shape through as well.
- Add Mosaics to ends of snowflake as shown.
