Suggested Tools

- Powder Tool--EK Success
- Paper trimmer
- Scoring Tool (optional)

Instructions:

Trim Pool cardstock to 4" x 10 1/2".

Score 2 5/8" from the left edge and 2 3/4" from the right edge. Fold in and adhere to scallop note so the cards opens in the center (like doors).

Adhere two 2 3/8" x 3 3/4" pieces of patterned paper to front of card.

Add Pop Dots to the back, right side of sticker, making sure to keep the backing on exposed half of the Pop Dot.

Using the Powder Tool, apply powder to the back of the sticker. Remove the backing from the Pop Dots and adhere sticker to one half of the card. Make sure the sticker doesn't seal the card shut-- Pop Dots should only be on one half of the sticker so you can't see them on the exposed half of the sticker when you open the card.
