Instructions:

Lay flower template on patterned paper and ink edges using pink ink. The inside of the flower will need to be masked off so you only cover the outside edge and the row of dots on the edge.

Trim paper to 11 1/2" x 11 1/2".

Keep one strip that was trimmed off and adhere other side (striped side) to the pink paper.

Lightly spray crown chipboard with copper and pink Glimmer Mist. Allow to dry and then adhere to page.

Add pink gems to crown, using a craft knife or QuickStik to assist you, if necessary.

Mat photos on 3 1/8" x 2 1/8" white cardstock and adhere to page.

Cut 6" white cardstock circle, cut 5 3/4" pink circle, and cut photo to 5 1/2" circle--all using Curvy Cutter.

Adhere matted circle photo to center of flower and trim off edge.

Adhere pink page to cardstock.

Add sticker letter for the title.
