Punch a 1/4" hole in top of card, only through the front layer.

Lay gate template on 4 3/4" x 5" patterned paper and spray brown Glimmer Mist over it. Spray lighter toward the top of the paper. Allow to dry. Stamp sentiment over gate.

Adhere misted paper to card front.

Spray lock with brown Glimmer Mist and allow dry time (hint: Use heat tool to speed dry time).

Adhere lock using Mini Pop Dots. Spray key with brown Glimmer Mist and allow to dry. Then, spray with yellow Glimmer Mist and allow to dry again.

Spray ribbon with turquoise Glimmer Mist and allow to dry.

Tie key to roof through the punched hole and trim ends.
