#### Instructions:

- Run purple cardstock through the flower embossing template using the Big Shot machine.  
Lightly rub the sanding block over the embossed flowers.  
Trim 1/2" strip of green cardstock using a scallop blade and adhere to edge of purple cardstock.  
Score a line 1" from the top of purple cardstock.  
Lay purple cardstock down on blue circle (with the green edge about 1 1/2" from bottom) and, holding together, trim off any excess paper that hangs over the blue circle.  
Punch two holes through both layers on the top and tie with green ribbon.  
Apply "thanks" rub-on to blue circle.  
Add metals to center of flowers, using a craft knife to assist you.  
Ink edges of circle using Charcoal ink.
