Suggested Tools

- Bind-it-All--Zutter
- XL star punch--Fiskars (6018436)
- Medium star punch--Fiskars (6018428)
- Craft knife or QuickStik (optional)
- Paper trimmer

Instructions:

Use a calendar template (can be found online) to print each calendar onto an A7 Lux White flat note.
Cut green dot paper to 5" x 7 1/2" and apply rub-on clock to lower right corner.
Adhere "year" to front of acrylic cover and apply rub-on letters above onto the clear cover.
Use the Zutter to punch holes in both covers and each of the calendar pages.
Weave the 1/2" black wire through the pages and bind close using the Bind-it-All.
Adhere 4 1/2" x 2 7/8" to a colored cardstock and adhere below calendar grid for each month.
Add seasonal embellishment on top of each photo.
