Trim one strip of red dot patterned paper to 1 1/2" x 8 3/8" and adhere to top of box. Trim two strips of red dot patterned paper to 1 1/2" x 8" and adhere to sides of box. Trim green dot patterned paper into 13 squares, approximately 1 1/2" x 1 1/2" each. Trim red dot patterned paper into 12 squares, approximately 1 1/2" x 1 1/2" each. To cover drawers, hold patterned paper squares over front, and trace circle cut-out. Using 5/8" circle punch, punch half-circle in paper to match cut-out on drawer. Adhere patterned paper squares to front of drawers, trimming off excess where needed. Using 1 1/8" circle punch, punch seven circles from white cardstock. Apply number stickers (included with calendar) to front of drawers. For some, apply number sticker to punched white circle and adhere circle to front of drawer, using Pop Dots. Punch star from yellow cardstock and add "25" sticker. Adhere to final drawer, using Pop Dots. Embellish with red and clear gems, as shown, using a craft knife or QuickStik to assist you, if necessary.
