

Materials Needed:

- Archiver's 12x12 calendar
- Archiver's 12x12 exclusive Bo-Bunny calendar kit
- Middleset chipboard alphabet--BasicGrey (6029927)
- Brown mini shimmer alphabet stickers--Making Memories (6039296)
- White cardstock
- Citron gemstones--Mark Richards (6028715)
- Clear gemstones--Mark Richards (6007728)
- Stardust pen--Sakura (531582)
- Acetate (6036637)
- Black Slick Writer pen--American Crafts (506278)
- Pop Dots (3927)
- Dry adhesive, such as a tape writer

Suggested Tools

- Paper trimmer
- Craft knife
- Sanding block
- Scissors

Instructions:

Trim green and purple flourish patterned paper to 5" x 12" (making sure flourishes and flowers are in upper left corner). Use craft knife to cut around parts of the leaves and flowers. Adhere to top of 12" x 12" white cardstock. Place Pop Dots under the "cut-out" portions to give them dimension. Trim words patterned paper to 5" x 12" and adhere to bottom of white cardstock. Trim purple dot patterned paper to 2" x 12". Curl edges and adhere to white cardstock, in the middle of other two patterned papers. Print eight small photos on Archiver's Sony Picture Station. Adhere each photo to a slightly larger piece of white cardstock, curl edges, and adhere to layout with Pop Dots. Cover chipboard letters with purple dot patterned paper. Use sanding block to sand off excess paper and create a distressed edge. Adhere letters to page, using Pop Dots. Apply rub-on (included in calendar kit) to acetate. Journal using black Slick Writer pen. Cut around acetate and adhere to page using Mini Pop Dots (hide them underneath the thicker parts of the rub-on). Add brown shimmer letters. Embellish page with green and clear gemstones as shown, using a craft knife to assist you, if necessary.
