

#### Materials Needed:

- Sapphire pocket invitation--Yours Truly
- Steel accent layer--Yours Truly
- Iced White enclosure--Yours Truly
- VersaMark ink
- Silver embossing powder
- Light blue gemstones--Hero Arts
- Medium clear gemstones--Mark Richards
- Dry adhesive, such as a tape runner

#### Suggested Tools

- Winter's Butterfly clear stamp set--Hero Arts
- Clear acrylic block (to use with clear stamp)
- Border Flashes clear stamp set--DMD
- Heat gun
- Craft knife (optional)

#### Instructions:

Create a document in a word-processing program to match the size of the largest white enclosure piece. Type and format text, leaving space for stamp. Print text on white enclosure piece. Stamp small snowflake on outer flap of pocket invitation using VersaMark ink. Sprinkle with silver embossing powder, tap off excess, and heat using heat gun until image appears shiny and raised. Stamp border along left edge of white enclosure piece using VersaMark ink. Sprinkle with silver embossing powder, tap off excess, and heat using heat gun until image appears shiny and raised. Adhere white enclosure piece to silver accent layer. Adhere entire piece to inside of pocket invitation. Add gems to inside and outer flap, as shown, using a craft knife to assist you, if necessary.
