Instructions:

Begin with a vertical (portrait) letter-sized document in a word-processing program. Adjust margins to 1 1/4" on the top and bottom and 1" on the sides. You will be able to fit two invitations worth of text in the space, one at the top and one at the bottom. Type and format text, leaving space for stamp and ribbon. Print text on Soft White paper and trim on all sides to create two 4 1/4" x 6 1/4" pieces. Adhere invitation text to blue flat note. Stamp snowflake in bottom right corner, using blue ink. Use Slot Punch to punch two holes in invitation as shown. Thread ribbon through holes and tie in knot. Trim ends to desired length. Add gemstone to snowflake, using a craft knife to assist you, if necessary.
