Instructions:

Begin with a vertical (portrait) letter-sized document in a word-processing program. Adjust margins to 1 1/4" on the sides and 1 3/4" on the top and bottom. You will be able to fit two invitations worth of text in the space, one at the top and one at the bottom. Type and format text, leaving space for stamp. Print text on white paper and trim to create two 4 1/8" x 6 1/8" pieces. Stamp snowflakes on bottom of white paper using purple ink. Adhere white paper to accent layer. Adhere entire piece to scallop flat note. Add gems to snowflakes as shown, using a craft knife to assist you, if necessary.
