Instructions:

Begin with a vertical (portrait) letter-sized document in a word-processing program. You will be able to fit two circles worth of text in the space, one at the top and one at the bottom. Type and format text, centered in the space. Print text on teal paper and use circle cutter to cut into a 4 1/8" circle. *Please note: We recommend practicing on scratch paper first to ensure proper text placement. Cut 4 3/8" circle from orange paper. Adhere teal circle on top. Adhere orange circle to scalloped circle flat note. Add sticker to invitation, as shown. Add gems to invitation, using a craft knife to assist you, if necessary.
