Instructions:

Begin with a vertical (portrait) letter-sized document in a word-processing program. Adjust margins to 1" on the sides and 1" on the top and bottom. Create two columns. You will be able to fit five place cards worth of text in each column. Type and format text, leaving room for stamp. Print text on bluebell paper and trim on all sides to create ten 2" x 3" pieces. Score black flat note in half using a scoring tool. Fold, using a bone folder to create a crisp edge. Adhere bluebell paper to front of place card. Stamp image below name, as shown.
