Instructions:

Begin with a vertical (portrait) letter-sized document in a word-processing program. Adjust margins to 1/2" on the sides and 1" on the top and bottom. You will be able to fit two invitations worth of text in the space, one at the top and one at the bottom. Type and format text. Print text on white paper and trim on all sides to create 4 1/2" x 6 1/2" pieces. Ink edges of white paper using charcoal ink. Stamp image on both edges of white paper using magenta ink. Sprinkle with embossing powder, tapping off excess. Heat with heat gun until image appears shiny and raised. Adhere white paper to pool flat note.
