Instructions:

Begin with a horizontal (landscape) letter-sized document in a word-processing program. Adjust margins to $\frac{1}{2}$ on all sides and create two columns. You will be able to fit two invitations worth of text in each column, one at the top and one at the bottom. Type and format text, leaving room for photo and embellishment. Print text on kiwi shimmer cardstock and trim on all sides to create four $3 \frac{1}{2} \times 5 \frac{1}{2}$ pieces. Adhere kiwi shimmer cardstock to luxe white flat scallop note. Size photo to $2 \frac{1}{2} \times 3 \frac{1}{2}$. Adhere photo to right side of invitation, using adhesive photo corners. Add die-cut embellishment as shown, using Pop Dots included in embellishment pack.
