Instructions:

Begin with a horizontal (landscape) letter-sized document in a word-processing program. Adjust margins to $\frac{1}{2}$ on all sides. Create two columns. You will be able to fit two invitations worth of text in each column, one at the top and one at the bottom. Type and format text, leaving room for ribbon and embellishment. Print text on silver paper and trim on all sides to create four $3 \frac{1}{2} \times 4 \frac{1}{2}$ pieces. Adhere ribbon to left side of silver paper. Adhere silver paper to black 4-bar flat note. Adhere black 4-bar flat note to silver scallop flat note. Add die-cut embellishment as shown, using Pop Dots included in embellishment pack.
