Instructions:

Begin with a horizontal (landscape) letter-sized document in a word-processing program. Create three columns and adjust the margins to match the dimensions above. Type and format text, centered in each column. Print text on opal text weight paper and trim on all sides to create three 3 x 7 pieces. Adhere to 3 x 8 opal cover weight paper. Use a scoring tool to score patterned paper twice, creating three equally sized sections. Adhere invitation piece to middle section. Fold flaps over to close, using a bone folder to create a crisp edge. Wrap 3 x 10 opal cover weight paper around closed invitation, creating a band. Use a bone folder to create a crisp edge. Adhere in the back. Slide band off invitation and stamp images on center of band as shown. Sprinkle with embossing powder, tapping off excess. Heat with heat gun until image appears shiny and raised. Slide band back on invitation.
