Suggested Tools

Instructions:

Begin with a vertical (portrait) letter-sized document in a word-processing program. Adjust margins to 1" on all sides. You will be able to fit two invitations worth of text in the space, one at the top and one at the bottom. Type and format text, leaving room for lace cardstock. Print text on white paper and trim on all sides to create two 4" x 6" pieces. Adhere lace cardstock to left edge of white paper and trim off excess. Adhere white paper to flat note. Add blue dots as shown, using a craft knife to assist you, if necessary.
