#### Instructions:

Cut paper to the following dimensions: Bazzill Candy Apple 5 1/2 X 8 1/2(fold in half), Bazzill Classic Green - 5 1/4 X 4, Bazzill Pepper - 5 X 3 3/4, Bazzill Candy Apple - 2 3/4 X 4 7/8.

Stamp "Holly And Berry Swag" twice on parchment paper or water color paper using black ink and clear embossing powder. Color one of the images using LePlume or Copic Markers. On the other image, just color the holly leaves. Cut these leaves out(as many as you would like), and using a foam tape, attach these leaves to the complete colored image. Adhere this to the smaller piece of red paper and then adhere it to the left side of the black paper. Layer this on the green piece and the folded red piece of paper.

On a scrap piece of green paper, stamp "Vertical Wispy Merry Christmas" using white ink and Snowflake Embossing Tinsel. Cut close to image and adhere to a scrap of red paper. Again trim close and adhere to the right side of the card. Using the Xmas Red and Green Stickles, add some glitz to your card.

On a scrap piece of green paper, Stamp "Whimsey May The Simple Joy" using white ink and Snowflake Embossing Tinsel. Cut close to image. Adhere to a black piece of paper and again trim close to image. Adhere to inside of card.
