Suggested Tools

- Paper Trimmer
- Scissors

Instructions:

Trim plaid paper from 6x6 pack and three photos to 3 1/4" x 3 1/4". Trim one photo to 2 x 3 1/4".

Trim flower patterned paper to 3 1/4" x 3 1/4".

Use tape (Tim Holtz Tissue Tape works perfectly!) on the seam of one full square photo and patterned paper square. Lay smaller photo face down on patterned paper. Tape this seam. When you stand these pieces up they will form a z.

Use foam adhesive to adhere "JOY" sticker.

Tape the seam of the other two photos. Use very small amounts of Crafter's Pick adhesive to adhere "Bloom and Grow" ticket to photo 2 3/4" from left edge. Let dry! Stand these three pieces and form z.

Lay plaid paper on bottom of cube.

Stand up first "Z" and use glue dots on backs to hold in place. Line up second "Z", again using glue dots to hold photos and paper in place.

Place "Beautiful" ticket on top.

Close cube, and add stickers to outside.
