

Materials Needed:

- Pail -- Stampendous (6062297)
- Christmas trees stickers -- Stampendous (6079749)
- Snowflake and present stickers -- EK Success (6080370)
- "Happy" sticker -- Little Yellow Bicycle (6079573)
- Red and green paper -- American Crafts (6079804)
- Silver and red ribbon -- American Crafts (6076310 and 6076338)
- White embossed polka dot cardstock -- Bazzill (6075612)
- Embossing ink -- VersaMark (10334)
- White embossing powder -- American Crafts (6056452)
- Runner-type adhesive

Instructions:

Stick Christmas tree stickers on opposite sides of pail.
Trim embossed white cardstock to 3" x 12" then punch with snowflake punch. Slide into pail.
Use circle scissors to cut 2 7/8" circle into green paper.
Stamp and emboss with snowflake stamps. Adhere to lid of pail.
Punch 1 1/4" square out of red paper. Round two opposite corners and punch small hole with Crop-a-dile in a corner that has not been rounded. Stick "Happy" sticker to center.
Stick two present epoxy stickers to each other. Punch small hole with Crop-a-dile. Tie present and red tag around handle with red ribbon.
Punch ticket out of green paper. Add two snowflake epoxy stickers. Punch hole in top and tie around handle with silver ribbon.
