Instructions:

- Score and fold 8 1/2" x 5 1/2" red cardstock in half and round all four corners.
- Adhere half circle journal paper to 5 1/4" x 4" brown cardstock and round all four corners.
- Ink edges of patterned paper while adhered to brown cardstock.
- Add red swirl sticker to brown cardstock and trim off excess.
- Adhere brown cardstock to red card.
- Add Pop Dots to back of St. Nicholas sticker without removing the other side of Pop Dot backing.
- Use the Powder Tool to cover the adhesive from the sticker, turning it into a die-cut. This makes sure the sticker won't stick to the card in the center or the edges.
- Remove backing from the Pop Dots and adhere to card.
