Instructions:

Cut a 3 3/4 x 5 piece from Snow layering paper.

Stamp Holiday Trees using VersaMark ink and emboss with clear embossing powder. Leave space at the bottom for a message.

Using an ink blending tool, shade background around trees using Broken China and Chipped Sapphire inks. Layer ink for a smooth background. Wipe off trees with a paper towel. The embossed area will resist the ink.

Stamp message using black ink.

Cut a 3 7/8 x 5 1/8 piece of Snow layering paper for the mat.

Adhere Holiday Trees to mat and then to Azure card.

Wrap string around card a few times and tie with a bow. Embellish with clear gems, using a craft knife or QuickStik to assist you, if necessary.
