Instructions:

Trim white letterpress paper to 4 1/2" x 6 1/2"

Use letterpress and epic tools to letterpress "Merry Christmas" in gold and the tree in dark green.

When dry (it may take 24 hours) tear right edge.

Trim gold paper to 2" x 6 1/2". Punch border down one side. Adhere under tore edge of letterpress paper. Adhere to center of red Yours Truly card.

Use QuickStik to adhere red gems to tree.

Use Tiny Attacher and adhesive to adhere using the ribbon technique that can be found on our blog.
